<i>Read each question carefully and answer all questions on this page by circling the appropriate answer. The questions are designed to identify whether or not you should consult a doctor prior to beginning a program of physical exercise.</i>	
Has a doctor ever said you have a heart condition and recommended medically supervised physical activity?	Yes / No
Do you have chest pain brought on by physical activity	Yes / No
Do you tend to lose consciousness, feel faint or have spells of dizziness?	Yes / No
Has your doctor recommended medication for blood pressure?	Yes / No
Do you have a bone or joint problem (such as arthritis) that could be aggravated by physical activity?	Yes / No
If yes, please specify.	
Are you aware, through your own experiences or a doctor's advice, of any other reason against your exercising without medical supervision?	Yes / No
Are you over the age of 65 and not accustomed to vigorous exercise?	Yes / No
Are you, or have you been pregnant in the last 6 months?	Yes / No
Do you suffer from asthma?	Yes / No
Have you ever been diagnosed with epilepsy?	Yes / No
Do you have diabetes?	Yes / No
If yes, is it Type 1 or Type 2?	
If you answered YES to one or more of the questions above, please answer the following questions:	
Have you consulted your physician regarding increasing your physical activity and or performing a fitness assessment?	Yes / No
If NO, will you consult your physician prior to increasing your physical activity and/or performing a fitness assessment?	Yes / No
Please list any medications you are currently taking below:	

RELEASE AND WAIVER OF LIABILITY - MEMBERS ACKNOWLEDGEMENT AND ASSUMPTION OF RISK AND FULL RELEASE FROM LIABILITY OF BARNARD FITNESS

The participant acknowledges that boot camp training includes participation in strenuous physical activities, including but not limited to aerobic movement and weight training. The participant agrees to assume all risk and responsibility involved with participation in these physical activities. The participant affirms that he/she is in good physical condition and does not suffer from any disability that would prevent participation in physical activities. Any disability will be declared to the trainer before activities commence, and alternative exercises discussed. The participant acknowledges that participation will be physically and mentally challenging, and it is their responsibility to seek competent medical or other professional advice regarding any concerns involved with the ability of member to take part in these physical activities. The participant agrees to assume all risks in responsibility for not exceeding his/her physical limits.
